ABSTRACT: This template file provides essential information on how to prepare and submit an abstract to contribute to AMSIC-3 hosted by the city of Dakar in Senegal

Please follow them as precisely as possible. We would like to receive all abstracts **no later than March 31th 2020**. Type your abstract in no more than 700 words, followed by the keywords up to 5 words.

For purpose of consistency we recommend that you use the same format as this abstract by adopting Times New Roman (size 12) font type. After submitting, for the accepted abstract only (some abstract can be rejected) you may submit a short paper before **June 30th 2020**. The Program committee will inform whether your submission is selected for an oral or poster communication **by July 31st 2020**. **It is recommended that final papers comprise between two and six (6) A4-pages and 4 MB in a file size.** The title is in bold capital letters and centered at the top of the first page (Times New Roman (size 14) font type). It must be followed by the author(s) name(s), organization(s) (Times New Roman (size 10) font type). Leave one bank line between the title and the name of the author(s). When several authors prepare a paper, the name of the corresponding author should be underlined. The name of each one's organization should be easily distinguished. Type your abstract in no more than 700 words, followed by the keywords up to 5 words.

Layout of the paper : top :2 cm, bottom : 2 cm, Right : 2 cm and 3 left 3 cm.

Keywords: renewable energy, ultrafiltration membrane, protein recovery, paper size (up to 5 words)
