

AMS CONGRESS: AGENDA

1st day

Filtration processes, safe drinking water supply and desalination

- ✚ Design and innovation : Membranes, cartridges and filtration systems, processes of Filtration and desalination
- ✚ Membrane fouling: Municipal and Community water
- ✚ Methods of filtration performance, analysis of membranes and membrane modules
- ✚ The contribution of renewable energies in filtration and desalination
- ✚ Filtration and management of energy resources: the case of isolated communities and urban centers
- ✚ Institutional Partnerships in Africa

2nd day

Treated water for industrial filtration, and for biotechnology & water recycling applications

- ✚ Innovation in the design of membranes, modules and filtration systems
- ✚ Soil irrigation; agricultural water for food
- ✚ Water filtration for biotech and pharmaceutical applications
- ✚ Recycling and reuse of water
- ✚ Academia and Industry partnerships
- ✚ Filtration and energy resource management: Small communities and towns

Visit to a desalination plant (Tunisian Chemical Company) in Skhira near Sfax

Commercial Exposition

<http://www.sam-ptf.com/sfax.html>

THE CHAMBER OF COMMERCE OF SFAX, UTICA-SFAX, SFAX INTERNATIONAL FARE ASSOCIATION, THE EVENT.COM AND L&G EVENT GROUPS & AMS PRESENT THE INTERNATIONAL WATER TRADE SHOW

International policy makers and experts will exchange knowledge on membrane filtration processes and water technologies (laboratories, suppliers of filtration, irrigation and desalination equipment)

Meeting scope

Identify key advanced research in the field of membrane and filtration technologies for the treatment of water.

Present innovative projects in Africa that favor efficient water management.

Stimulate economic growth by developing sustainable water and energy resources and technologies

The African Membrane Society

First International Congress:

SFAX 2016 – May 3rd – 5th 2016 - Tunisia

<http://www.sam-ptf.com/sfax.html>

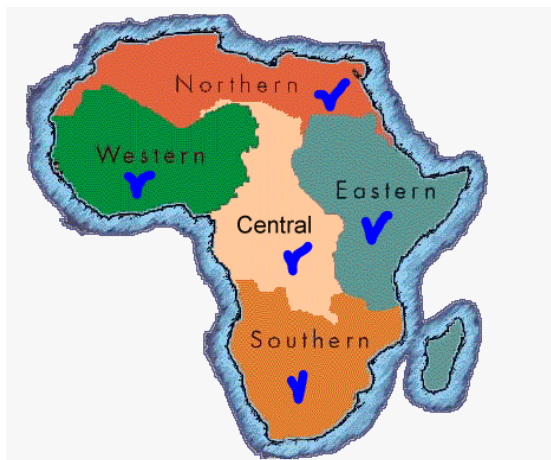

IMPLEMENTATION OF MEMBRANE PROCESSES FOR WATER TREATMENT IN SMALL COMMUNITIES & CITIES

PARTNERS:
THE AFRICAN MEMBRANE SOCIETY &
THE FACULTE DES SCIENCES DE SFAX

Sfax 2016: International mobilization

The culturally diverse African Membrane Society (AMS) has mobilized all its members so that the 5 geographic zones of Africa can be represented during its congress. Nearly 20 countries are expected including representatives from Europe, India, North America and many decision-makers from the industrial and governmental sectors.

Steering Committee

- R. BEN AMAR, Faculté des Sciences de Sfax, Tunisie, Présidente
C. CHAKER, Groupe Chimique Tunisien, Tunisie
E. ELLOUZE, Faculté des Sciences de Sfax, Tunisie
H. GARGOURI, Faculté des Sciences de Sfax, Tunisie
A. JRAD - CITET, Tunis, Tunisie
K. KHEMAKHEM, IPEI, Sfax, Tunisie
S. BEN HMAD, IHEC, Sfax, Tunisie
S. SAIDI, Faculté des Sciences de Sfax, Tunisie
A. DOUCOURE, Hollingsworth & Vose, USA, Président AMS
A. COULIBALY, Ecole Nationale d'Ingénieurs-ABT, Mali
C. ANYAKORA, University of LAGOS, Nigeria
S. BA, Sherbrooke University, Canada
J. BARRY, Caltech, USA
M. CISSE, Université Cheikh Diop, Sénégal
N. KASBADJI MERZOUK, UDES/CDER, Algérie
B. MAMBA, University of Johannesburg, South Africa
A. MENSAH, ITW Hobart Corporation, USA
P. MIELE, Institut Européen des Membranes, France
F. MOLELEKWA, University of Pretoria, South Africa

Submission deadline

Complete articles (oral presentations) : February 29th 2016
Resumé (Posters only) : February 29th 2016
Notification of acceptance : April 1st, 2016
Submission solely by EasyChair at the following:
<https://easychair.org/conferences/?conf=impwt2016>
(open the link, create the account and upload the article online)

Location of the conference

Sfax International
Convention Center,
Tunisia

Contacts

R. BEN AMAR, FSS de SFAX, Tunisia
email : Raja.Rekik@fss.rnu.tn
A. DOUCOURE, Hollingsworth & Vose, USA
email : ablodoucoure@hotmail.com
E-mail of the conference : impwt2016@gmail.com

Reservations

EVENT-COM
Tel : +21628 28 20 60/ +216 28 28 20 80
Fax : +216 74 20 12 36
E- mail : contact@eventcom.com.tn

Registration Fees

Student	150 Euros/200 DNT
Teachers/Researchers :	200 Euros/300 DNT
Industrial	300 Euros/500 DNT

These registration fees entitle registrants to gain access to the conference proceedings, admission to all sessions, and visit of a desalination plant.

Registration Form

(Complete and return to the email address impwt2016@gmail.com/contact@eventcom.tn)

Family Name and First Name

Title

Student Researcher/Teacher Industrial

Professional Address

Title of Paper Submission
